

CHANGEMAKER CERTIFICATE

Cert. 2201001

Issued to:

Maurice Lacroix, Switzerland

This is to proudly certify that Maurice Lacroix used the multiple times awarded #tide ocean material® to produce the AIKON #TIDE watch series. The plastic processed for these watches was 100% ocean-bound. By using upcycled plastics from #tide, Maurice Lacroix saves marine life, supports local communities, and closes the circle of plastic waste pollution.
